

20th Annual Paws for Patriots Charity and Fundraising Campaign

Our 2025 Dogs Inc PAWS for Patriots campaign is underway, and we invite you to stand with us in support of those who've given so much. Your generosity helps provide life-changing service dogs to wounded veterans and comfort to Gold Star families who carry the weight of loss. Every gift is a step toward healing, hope, and renewed strength.

This cause is very important to our veterans because:

- The Dogs Inc PAWS for Patriots Program pairs life-changing guide and service dogs with veterans living with physical disabilities and the invisible wounds of PTSD. These incredible partnerships help veterans reclaim their dignity, restore their independence, and rediscover a sense of FREEDOM.
- From the moment a dog enters the program to the day they are fully trained and certified, the cost can reach tens of thousands of dollars. For our veterans, that kind of expense is simply out of reach—and they shouldn't have to carry that burden.
- Dogs Inc is the only organization in North America that provides guide and service dogs, in-person and online training, lifetime alumni support, premium dog food, and preventive veterinary care—all at no cost to the veteran.

Old Town Chapter Harley Owners Group has been involved with the "Paws for Patriots Program" for the past 19 years.

To date, we've donated nearly \$670,000 to this program—made possible by the generous support of people like you.

Together, we can help wounded veterans move through life with renewed mobility, restored independence, and with dignity. Let's show them their sacrifices are not forgotten. Let's help give them back the freedom they fought to protect. Thank you for your time and consideration. I hope you'll join us in championing this powerful cause.
